- 18
19 Whereas, Many Working Western horses compete in multiple events/classes, and thus the number of “goes” or
20 “runs” a horse makes has increased, and
21
22 Whereas, In the opinion of the proponent, the efficiency of completing Working Western classes at some shows
23 needs consideration, and
24
25 Whereas, Ties in Working Western Classes can easily occur and it is undesirable to “manipulate scores” in order to
26 avoid ties, and
27
28 Whereas, In the opinion of the proponent, it is desirable to create an equitable way to break some of the ties without
29 run offs which add to the number of goes for a horse and time to a show; Therefore, Be It
30
31 Resolved, That USEF AR210.4 be amended by striking out, inserting new language and creating new sub paragraphs
32 .1 and .2 as follows:
33
34 4. Ties for ~~first place~~, Champion and Reserve Champion, and any other tie requiring a run-off, ~~fifth in a Top Five and tenth~~
35 ~~in a Top Ten class~~ will be worked off using the same pattern, order of go and scoring technique as was used in the event;
36 however, there will not be more than one work off.
37
38 a. Tied exhibitors can choose to forego a work-off and be named co-champions but must determine the winner of the
39 awards by consensus or by a flip of a coin. If they do not agree, the exhibitor(s) who does not want to work off will
40 forfeit first place to the other. Prize money (if any) for the tied placing(s) involved will be added together and
41 equally split between the respective exhibitors.
42
43 b. Exhibitors disqualified in a work-off cannot be placed any lower than the lowest consecutive placing which results
44 from breaking the tie.
45

RESOLUTION 10 - 20

46 e. ~~Ties for second place in a non-championship class will stand tied and all involved exhibitors will qualify for AHA~~
47 ~~Regional competition; prize money (if any) for the placings involved will be added together and equally split~~
48 ~~between the respective exhibitors. All other ties are not worked off and will involve as many places as there are~~
49 ~~horses tied.~~

50

54 *Should the tie persist, the tie shall then be broken by the highest maneuver/obstacle score of a predetermined*
55 *maneuver or obstacle. If the tie continues to persist, then it shall require a run-off in accordance with AR210.4*
56 1. *In Reined Cow and Limited Reined Cow Horse classes, ties shall be broken first by the highest score of the*
57 *"Fence" or "Cow Work." If a tie persists, it shall then be broken by the horse with the lowest number of*

62 *shall then be broken by the horse with the lowest number of penalties. Should the tie persist, the tie shall*

64 *continues to persist it shall require a run-off in accordance with AR210.4*

65
66 d. ~~Prize money (if any) for any tied placings involved will be added together and equally split between the respective~~
67 ~~exhibitors.~~
